

Sophie Simon Solves Them All

For a third-grader, Sophie Simon is extremely clever. But Sophie is no genius when it comes to calculating friendship, until she helps some classmates with their problems. For a third-grader, Sophie Simon is one smart cookie. She enjoys teaching herself advanced calculus and has performed successful heart surgery on an earthworm. SUMMARY: Sophie Simon is extremely smart. She enjoys learning about topics that normal third-graders don't, including calculus, civil disobedience, and reverse engineering. Third-grader Sophie Simon is one smart cookie. In her spare time, she makes robots out of toothpicks and operates on earthworms. But does that impress her classmates? Graff, Lisa.
