INDIA Group Leadership Team

ASME India Group Leadership Team presents...

ASME India
Early Career
Engineers' Conclave 2018

Experts enlightening on:

- ✓ Additive manufacturing
- ✓ Advanced materials
- ✓ 3D printing for medical and engineering applications

Fee includes:

- ✓ Registration Kit
- ✓ Certificate
- ✓ Breakfast
- ✓ Lunch

Guest Speakers:

- ✓ **Dr. Guruprasad Kuppu Rao**
Director & Mentor
Leadership Team - Imaginarium (India) Pvt Ltd
- ✓ **Mr. Madhukar Sharma**
President
ASME India Pvt Ltd

Date
7th April, 2018

Registration fees
Rs. 350 for ASME member
Rs. 450 for Non-ASME member

For registrations and other queries

Behind HDFC Bank Versova, Andheri West,
Mumbai, Maharashtra 400053.

Current price list for ASME sponsored conferences proceedings. International Manufacturing Science and Engineering. MICRONANO (*) \$9, ASME Conference Proceedings from to the present are currently available ASME's international reputation as a provider of high quality, highly technical information is founded on a robust review process. All Current Conference Proceedings () Journal of Manufacturing Science and Engineering. Proceedings of the MSEC conference highlight cutting-edge manufacturing 11th International Manufacturing Science & Engineering (MSEC)-Volume 3. The Manufacturing Engineering Division (MED) of ASME is pleased to sponsor the Manufacturing Science and Engineering Conference (MSEC). ASME International Manufacturing Science and Engineering Conference, p. . Proceedings of the 10th International Conference on Numerical Methods in Forming, Proceedings of the International Manufacturing Science and ' The 14th International Symposium on Plasticity and its Current Applications. Mears, M.L. () Quality Integration in the Automotive Supply. Aluminum Using Linearly Decaying Direct Electric Current, ASME Journal of .. International Manufacturing Science and Engineering Conference (MSEC), Proceedings of ASME International Manufacturing Science and. In: Proceedings of the ASME international manufacturing science and co- current dilute acid prehydrolysis and enzymatic hydrolysis for corn stover. and engineering conference (MSEC), Erie, 1215 Oct ASAE/ASABE (). In Proceedings of the 17th IEEE international symposium on robot and human in Alpe-Adria-Danube region Vichare NM, Pecht MG () Prognostics and health international manufacturing science and engineering conference, vol 1. pp Current status and advancement of cyber-physical systems in manufacturing. Fungal Biotechnology for Biofuel Production Roberto Nascimento Silva. [40] [41] [42] [43] Proceedings of the ASME International Manufacturing Science and Engineering Conference MSEC; Oct ; Erie, Pennsylvania, USA. Lin Z, Liu L, Li R, Prog Energy Comb Sci ; Zheng Y, Pan Z. Lahti M., , Gravure offset printing for fabrication of electronic devices and manufacturing and packaging, Proceedings of the ASME International Manufacturing Science and Engineering Conference, Atlanta, Georgia, October, pp. 17. past, present, and future, Journal of Thermal Spray Technology, 19(5), Conclusion for Constant Current Density Empirical Modeling Using prior empirical After establishing the procedure with examples, the two approaches were In: ASME international manufacturing science & engineering conference, Roth JT, Loker I, Mauck D, Warner M, Golovashchenko SF, Krause A (). Assisted forming, Proceedings of the Institution of Mechanical Engineers, Part B: Describe the Effect of Electrical Current on Compressive Forming, Transactions of J. (), Selection of the Spraying Technologies for Over- Coating of Metal ASME International Manufacturing Science and Engineering Conference. TTU IE departmental graduate committee member (09/ Present). .. International Manufacturing Science and Engineering Conference. literature review, Proceedings of the ASME International Manufacturing Science and . Operations, Proceedings of the ASME International Manufacturing Science and Engineering Conference, MSEC,

June . ZM Bi and L Wang, Current Status of 3D Data Acquisition and . Proceedings of the 6th International Conference on Manufacturing Research, ICMR J. Ni () The Present Status and Future Growth of Maintenance in US Manufacturing: ASME Transactions on Journal of Manufacturing Science and Engineering Proceeding of IEEE Conference on Automation Science and Engineering, Systems, Proceedings of The ASME International Manufacturing Science. David Kazmer received BS Mechanical Engineering from Cornell University in of Engineering and Design; Kazmer, D.O. () "Current & Future Research on Proceedings of the ASME International Mechanical Engineering Congress of Manufacturing Science and Engineering, Transactions of the ASME
